

BELLERBY OPEN GARDENS 2010

**SCARECROW TRAIL
COMPETITION
RESULTS:**

The entry which captured the most votes from this year's Open Gardens visitors was 'Time Team Dig' which displayed genuine (made in China) Roman artefacts unearthed by a likely looking pair of Bellerby 'archaeologists'! Congratulations to all at Green Gales and Westfields Farm!!

The Winning Children's Scarecrow was 'Harry Potter' which was created by Calum, Sam and Choe with a little bit of help from their mum Karen! Well done – an excellent idea!

Congratulations also to Sam and Nathan Ward who's footballing scarecrow 'The Optimist' came a close second in the Children's category. 'The Optimist' must have caused a few wistful chuckles from any England supporters!

To everyone who took part – a huge Thank You for your time, effort and imagination ...
